Headteacher's Weekly News

It was really great to see so many parents coming to our first gallery event this week. It's always wonderful when the children get the opportunity to share with parents the work that they have been doing. Next week the work carried out by Reception, Year 2, 4 and 6 will be on display!

Friday is our non-uniform day for Children in Need. Just a reminder that the children are allowed to come into school in their own clothes that day, a donation of £1 will go towards raising money for our charity this year, which is Oxfam. Please ensure that they have appropriate clothing and footwear for the weather. On this occasion the children should not come into school in fancy dress or football kits/football shirts.

A letter went out this week about a parent online safety information evening. This event is being taken by a specialist in online safety and will be very useful for parents as technology does keep on growing. Please do return your slip so that we know how parents are going to be there and do try to make it if possible as it will be a very informative event. This event is only for parents, we teach the children online safety through our computing curriculum

Picking Up Children After School/Contact Numbers

Can I please remind all parents that it is important to be on time when collecting your children from school. If there is any reason why you are going to be late and you cannot arrange for anyone else to collect your child could you please call (020 8952 6026) and inform the school office before the end of the school day. This enables us to explain to children that someone is on the way and stops them becoming upset.

It is also very important that the school has an up to date contact number. If you do change your phone number can you please let the school office know as soon as possible so that we are able to contact you if we need to.

Thank you very much for your co-operation with this.
