Deputy Head: Georgina Fitamant
Assistant Head: Fiona Williamson

Our children love to learn! The Spring term is full of lots of exciting new topics. Our children take great delight in sharing exciting stories about interesting places they have visited and take great pride in sharing new facts they have learnt. Here is some information about what your children will be learning this term. Why not help your child in finding out more about these topics, which they can then share with their class. There are lots of resource on-line as well as a treasure trove of information in the Burnt Oak library. We look forward to you joining us on our learning journey!

Subject	In Year 1 we will be exploring...
Science 	We will be learning about animals including humans. We will identify and name a variety of animals including fish, reptiles, amphibians, birds and mammals. We will explore their body parts and label and group them accordingly. We will also continue observing changes throughout the seasons.
Art & DT 	In Art and DT, we will make a lantern and explore and create a piece of sculpture linked to our Florence Nightingale topic in Humanities.
Computing 	We will research information on Florence Nightingale using safe websites including Espresso. This information will be used to create an e-book on an Ipad. We will also learn to label and classify objects on the computer.
Humanities 	In Humanities, we will learn about significant people from the past including Florence Nightingale and Mary Seacole.
PE 	We will be exploring with different dance movements. We will also develop our throwing, catching and aiming skills.
R.E 	We will be learning about what it means to live a 'Good Life'.
PSHE 	We will be sharing our dreams and goals and we will discuss ways of making them come true.
Music 	We will be exploring a range of instruments to identify the pulse. We will also be learning new songs for our class assembly.
