Deputy Head: Georgina Fitamant
Assistant Head: Fiona Williamson

Our children love to learn! The Spring term is full of lots of exciting new topics. Our children take great delight in sharing exciting stories about interesting places they have visited and take great pride in sharing new facts they have learnt. Here is some information about what your children will be learning this term. Why not help your child in finding out more about these topics, which they can then share with their class. There are lots of resource on-line as well as a treasure trove of information in the Burnt Oak library. We look forward to you joining us on our learning journey!

Subject	In Year 2 we will be exploring...
Science 	Animals including humans. We will also be observing changes throughout the seasons.
Art & DT 	We will be making space mosaics in art. We will also be creating puppets in DT.
Computing 	We will be finding out about how we stay safe online, creating books on the iPads and writing stories on the computer.
Humanities 	In geography we will be thinking about human and physical features of our local area and non-European countries. In History we will be learning about who has contributed to national and international achievement e.g. Christopher Columbus and Neil Armstrong.
PE 	Our outdoor unit will focus on games, using space to attack and defend. For our indoor units we will be looking at dance.
R.E 	This term we will be learning about Judaism and why the Torah is important to Jewish People. We will also be visiting a place of worship.
PSHE 	We will be completing a Jigsaw scheme of work looking at our dreams and goals.
Music 	We will be looking at high and low pitch and having a music lesson with a music specialist.
