Children's Centre Manager: Makeda Hypolite

Deputy Head: Georgina Fitamant
Assistant Head: Fiona Williamson

Our children love to learn! The Spring term is full of lots of exciting new topics. Our children take great delight in sharing exciting stories about interesting places they have visited and take great pride in sharing new facts they have learnt. Here is some information about what your children will be learning this term. Why not help your child in finding out more about these topics, which they can then share with their class? There are lots of resources on-line as well as a treasure trove of information in the Burnt Oak library. We look forward to you joining us on our learning journey!

Subject	In Year 3 we will be exploring...
Science 	<ul style="list-style-type: none"> Light - Measuring shadows, finding out how shadows are formed and what might cause them to change. Rocks - Identifying and classifying rocks and soils
