Deputy Head: Georgina Fitamant
Assistant Head: Fiona Williamson

Our children love to learn! The Spring term is full of lots of exciting new topics. Our children take great delight in sharing exciting stories about interesting places they have visited and take great pride in sharing new facts they have learnt. Here is some information about what your children will be learning this term. Why not help your child in finding out more about these topics, which they can then share with their class. There are lots of resource on-line as well as a treasure trove of information in the Burnt Oak library. We look forward to you joining us on our learning journey!

Subject	In Year 4 we will be exploring...
Science 	In Science, we will be exploring sound and how it is created. We will also be looking at how it travels into our ears and how our ears hear different sounds.
Art & DT 	In Art we will be designing and creating our own bird perches out of wood and decorating them.
Computing 	In Computing we will be exploring how to keep safe online and also we will be creating our own non-fiction books using iPads.
Humanities 	In Geography, we will be looking at human and physical geography. In History, we will be learning about World War II and the impact it had on the people London and around the world.
PE 	Children will be going swimming on a weekly basis. In PE we will be learning the rules of invasion games such as tag rugby.
R.E 	In RE we will be exploring the celebration of Diwali and its importance in the Hindu religion.
PSHE 	We will be learning about dreams and goals and how to achieve them or cope if it does not work out.
Music 	Linked with Science, we will be looking at different ways of creating sound and music with a range of instruments.
