Headteacher's Weekly News

Barnfield continues to be a very happy place. It is wonderful to see so many of our children working together, taking responsibilities and thinking of others. I continue to be impressed with our Year 6 children as they do a fabulous job in their roles as Mediators and Playground Squad. At lunchtimes and playtimes it is lovely to see them organising games and keeping the playgrounds a happy place for all. We also have some great Sports Leaders who set challenges for other children to do during lunchtimes to keep their fitness up! Our library monitors (organised by Mrs Dawson) carry out a range of activities within the library, take their roles very seriously and do a fabulous job in making our library a fantastic resource for all. It is wonderful to see the children all collaborating well together.

Next week our Year 6 children will be sitting their SATs tests. These are tests sat by all children in Year 6 across the country. Our children have worked really hard this year and I know that they are ready and prepared. The staff in Year 6 are very proud of how much effort they have put into their work. I am sure that they will do really well – Good Luck to Year 6!

Attendance and Punctuality

Well done 1J & 5L who all had the best attendance last week

Attendance is important, every day counts! It is vital children are in school on time

Internet Safety

It is very important to talk to your child about internet safety.

Here are a few ideas.

- 1) Don't post any personal information online – like your address, email address or mobile number.
- 2) Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, **it's not just yours anymore.**
- 3) Keep your privacy settings as high as possible
- 4) Never give out your passwords
- 5) Don't befriend people you don't know
- 6) Don't meet up with people you've met online. Speak to your parent or carer about people suggesting you do
- 7) Remember that not everyone online is who they say they are
- 8) Think carefully about what you say before you post something online
- 9) Respect other people's views, even if you don't agree with someone else's views doesn't mean you need to be rude
- 10) If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately.

Just being late
for 5 minutes
each day would
mean over
3 days of
learning would
be lost a year!

Punctuality
Matters!
