Headteacher's Weekly News

Our Year 6 children are working really hard for their SATs this week. It is very impressive to see their concentration and determination to do well. We are very proud of them. Keep up the really good work Year 6!

On the week beginning the 22nd May we have our Healthy Week. During this week the children will be thinking about all the ways that we can help to keep ourselves fit and look after ourselves. The children will also be taking part in some workshops which will encourage healthy eating.

Keep looking at the website for photos of the events that take place within the school and pictures from class assemblies.

WATER DURING LESSONS

We encourage children to bring a bottle of water to school each day so that they can have access to it during lesson time, which has been shown to improve children's concentration. Children should not bring bottled flavoured water as this has a sugar content of over 4grams, which can have a serious impact on children's teeth and general health when drunk over a period of time. Squashes and juices are not allowed in lessons. **Fizzy drinks must not be brought into school at any time.**

Road Safety

1. THINK FIRST - PLAN. Find the safest place to cross then stop....
2. STOP. Stand on the pavement little way back from the edge. ...
3. WATCH AND LISTEN. Look for traffic in all directions and listen.
4. WAIT UNTIL IT'S SAFE. Wait patiently and let the traffic pass. ...
5. WATCH AND LISTEN. When it's safe, walk directly across the road.

Parking

When dropping and collecting your children from school please could all parents and carers think about our local residents. Please do not park or block their driveways even for a short amount of time. Parking is very limited within the local area but it is important that we show consideration for our neighbours.
