## Headteacher's Weekly News

Next week is healthy week. We will be thinking about all the ways that we can look after our bodies to ensure that we are fit and healthy. The children will all be taking part in healthy eating workshops – run by an expert. They will all be making some simple food which is nutritious and easy to make. We are asking for a voluntary contribution of £1 per child for these to help to cover the cost of the ingredients. Our Year 6 children are taking part in a micro-marathon on Monday afternoon. We will be doing this with two of our local schools – Woodcroft and The Annunciation. This is always a really great afternoon and I know that the Year 6 children are looking forward to it.

It won't be long now until our International Evening. Please remember the date : 29th June. I know that the children are already thinking about the year group dances that they are going to be doing. This is such a special event in the school calendar and we look forward to seeing as many of you as possible. More details will be coming soon so please keep looking at the website.

Parents must ensure their children follow this rule for the safety of everyone in the playground. If your child has come to school on their scooter /bike please ensure that they are not riding them as the responsibility of the adult.

## Library Books

Please could you make sure that your child returns his or her library book every week in good condition.

## WATER DURING LESSONS

We encourage children to bring a bottle of water to school each day so that they can have access to it during lesson time, which has been shown to improve children's concentration. Children should not bring bottled flavoured water as this has a sugar content of over 4grams, which can have a serious impact on children's teeth and general health when drunk over a period of time. Squashes and juices are not allowed in lessons.
