Summer Term Issue 35

Date: 29.06.2017

## Headteacher's Weekly News

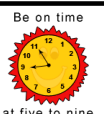

Tonight is International Evening – we really do look forward to seeing as many of you as possible at this wonderful event! Please remember that all children must be come with an adult who stays at the event for the entire time and is responsible for them.

In assemblies over the last two weeks the children have been watching the films that they made during script writing week. They were very creative and show what an amazing imagination our children have. It has been really wonderful to see what they have created.

Some of our Junior children took part in Copthall Sports on Wednesday. This is always a great sporting event. They represented the school, enjoyed the day and really tried their best! Sports Day is coming up soon for all the school. For our Junior children this is on 10th July in the morning and for the Infant children this is on the 11th July in the morning. Parents are welcome to come and enjoy this event with their children. Please do ensure that they have a full PE kit in school at all times.

### WATER DURING LESSONS

We encourage children to bring a bottle of water to school each day so that they can have access to it during lesson time, which has been shown to improve children's concentration. Children should not bring bottled flavoured water as this has a sugar content of over 4grams, which can have a serious impact on children's teeth and general health when drunk over a period of time. Squashes and juices are not allowed in lessons.

**Fizzy drinks must not be brought into school at any time.**

If your child is off for two weeks in a term your child's attendance will automatically be less than 95% the government regards this as the minimum satisfactory level of attendance.
