## Headteacher's Weekly News

We have had a number of visitors into school this week to work with our children. The company 'Impressionable Minds' were in to work with our Year 5 and 6 children about the types of pressures that they may face in the future and how to keep themselves safe. They were so impressed with our children and commented that they behaved so well and shared their ideas sensibly. Our Year 5 also had a fire safety talk and again they listened and engaged so well.

On Friday we are raising money for our school charity – which this year is for playground equipment for the school. The School Council came up with the idea to wear a yellow accessory with our school uniform and bring in £1. This is also the day of our parent coffee morning. I know a lot of work has already been put into this by our parent volunteers – we thank them already for all they have done.

### Attendance and Punctuality

Well done 2J & 6J for the highest attendance last week.

Attendance is important, every day counts. It is vital children are in school on time
