

## School Priorities

The focus for the school is always ensuring high standards. This year we are focusing on:

1. High quality teaching and Learning  
engaging children and making them active parts of the lessons.
1. Online Safety  
This involves equipping the children for dealing with technology safety and understanding the dangers that are there.
3. Resilience  
This involves learning about how we tackle problems that we may face in life. We want to make our children confident learners who are willing to take on challenges.
4. Recall of key number facts  
To develop fluency in mathematics
5. Reading and Phonics  
To continue to develop a love of reading in all our children and how to access a wide range of different types of books. To be able to respond to key questions which require the children to look for meaning in the text.

Thank you for all your support of the school.

# BARNFIELD PRIMARY SCHOOL— GOVERNORS NEWSLETTER

## MESSAGE FROM THE CHAIR OF GOVERNORS

Dear Parents/Carers,

Welcome to our first Governor and Headteacher newsletter. I am delighted to connect with you this academic year.

The objective of the newsletter is let to know who the governors are and what our role is within the school. It will also enable us to share with you key news from the governing body and Headteacher .

I am continually amazed by the energy and enthusiasm of all the staff and the leadership team. It is also wonderful to see the positive engagement of your children and how proud they are of their school. All of this makes Barnfield an Outstanding school.

I hope you find this newsletter informative and interesting.

Remember you can contact the governors by email at: [governors@barnfield.barnet.net](mailto:governors@barnfield.barnet.net), through the office or simply by having a chat with any of us if you see us in the school.

Warm regards  
Valji Patel  
Chair of Governors  
Barnfield Primary School

## ROLE OF THE GOVERNING BODY

School Governors now play an increasingly significant role in the running of schools. We feel it's a huge privilege to serve the school, and play our part in ensuring the children at Barnfield receive the education they deserve.

We work closely with the head teacher, Mrs Gunn, and focus on three core functions:

- ◆ Setting the school's strategic direction and priorities, and ensure all statutory duties are met.

◆ Acting as a 'critical friend,' supporting the head teacher and holding her to account for the school's day-to-day running

◆ Overseeing the school's financial performance and ensuring that the budget is well spent.

The Governors ensure that the school is a safe environment for the children to be in.

The Governors of the school are all volunteers and give their time freely to share their expertise and support the school.
