Autumn Term Issue 18

Headteacher's Weekly News

It is wonderful to have all our Year 4 children back from Cardfields. They had the most amazing time and the centre said that they were one of the best groups they had ever had. The rest of our Year 4 child went on a trip to London Zoo on Friday and they too had an amazing time.

This week is Investigations Week. We are only half way through the week but the children have been so busy. We have had some maths problems for the children to solve in groups from 'The Happy Puzzle Company'. This has been a real challenge but also lots of fun! There have also been science workshops – looking at how we can recycle and reduce the amount of plastics that we use. The children have already learnt lots and are having lots of fun doing it as well.

Just a reminder that next Tuesday (5th February) we have an online safety workshop being run at school from 5.45pm. This event is for parents only. It is a really worthwhile workshop to come to. It is run by a team of people who have real expertise in giving parents sound information to help them to keep their children and themselves safe online. If you are able to come we would love to see you there.
