Spring Term Issue 28

Date: 25.04.2019

Headteacher's Weekly News

Welcome back for the start of the summer term. I hope that everyone had a lovely break.

The summer term is always very exciting with so many things to look forward to. We will have our amazing International Evening, which is taking place in June, this is always a highlight of the school year. We also have Sports Days, our Year 6 residential trip to Tolmers Camp as well as the Year 6 production. We will also have trips for other year groups as well as working hard and doing our very best! The term will certainly be busy.

We send many congratulations to Miss Coussins who is expecting her first baby. We are all very excited by her news. She will be with us for the rest of this academic year before starting her maternity leave.

As we are at the start of the summer we do ask that children come in with bottles of water as this aids concentration, especially as the weather begins to warm up.

Attendance and Punctuality

Well done 2G & 6J for the highest attendance on the last week of term.

Attendance is important, every day counts. It is vital children are in school

WATER DURING LESSONS

We encourage children to bring a bottle of water to school each day so that they can have access to it during lesson time, which has been shown to improve children's concentration. Children should not bring bottled flavoured water as this has a sugar content of over 4grams, which can have a serious impact on children's teeth and general health when drunk over a period of time. Squashes and juices are not allowed in lessons.

Fizzy drinks must not be brought into school at any time.

School Dinner Payments

We are not able to allow parents to exceed more than a **£40.00** Debt on their child's school dinner bill. If your bills become higher than this amount your child will have to go onto home packed lunches until the debt is cleared. Payments for dinner should be in advance of having a dinner.

The cost is £11.70 per week

£48.80 a month

Dinner money for this half term is £53.82

Dinner money to the end of the school year is £138.06

payable in the school office or over the phone 02089526026

Unpaid Dinner Bills mean less resources for your children please make sure you pay

Parental Responsibility for Reception & Infant Children

Parents must take responsibility for their infant children and stay with them until they are in class at the start of the school day 8.55am. Please do not leave your child with older siblings as this will then make them late for school.

Please ensure that your child's uniform is labelled with their name and class. We will then be able to return lost items.
