

## Flying high

On Thursday Year 2 went to the RAF museum to find out more about the famous Wright brothers. The children learnt how the brothers created their first plane and how they kept improving their models until they were successful in flying across the English channel.

The children also had the opportunity to look at the different planes—they were so amazed with the size of the aircrafts and particularly looking at ones which had been damaged in action.

Finally, to end a wonderful trip, the children were able to make model planes and flew them in the museum.

Our year 2 team were very impressed with how well the children behaved in the museum and whilst travelling to and from school.

Well done Year 2—we are super proud of you.

A huge thank you to our year 2 Teachers Ms Leane and Ms Grasby for organising the trip and to our fabulous TAs and parents who accompanied the classes.

We will be marking remembrance day on Monday 11th November.

Children are encouraged to wear the poppies to school if they have one.

### On time please

As part of our safeguarding arrangements, if you arrive in the mornings after the second bell has gone, parents and carers will need to walk children to the front office to be signed in. Whilst we understand that sometimes the traffic is heavy or buses run late, please try and ensure your child is in the playground for 8.55am so they have a settled start to the day.

## New Home time dismissal arrangements

Thank you to our families for your flexibility and support this week with our home time arrangements. We think the new system works better and our children have reported back that they prefer not having to walk through the large crowds of adults at the end of the day.

Thank you for waiting for the class teacher to ensure they have all the pupils lined up before they start dismissing.

Next week we will continue with the same systems.

Please do share your feedback with us.

We are looking at ways of trying to introduce a second exit gate to help ease traffics, particularly for families with pushchairs—please watch this space!

Barnfield are proud to share that we will be hosting a workshop led by the initiative group 'Real Play' who are looking at creating safer play spaces in our local community.

The workshop is aimed at 8-12 year olds and will be on Wednesday 27th November from 5-7pm. More information to follow from Barnet Council. It would be fantastic if our local children could attend and share their views on this very important matter.

## School Dinner Payments

We are not able to allow parents to exceed more than a £40.00 Debt on their child's school dinner bill.

If your bills becomes higher than this amount your child will have to go onto home packed lunches until the debt is cleared.

Payments for dinner should be in advance of having a dinner.

## Attendance Winners!

**RR Class** had the best attended class in Foundation key stage with 97.97%

**1J Class** had the best attended class in Key Stage 1 this week with 98.00%

**3J Class** was the best attended class in Lower Key Stage 2 this week with 97.67%

**6H Class** was the best attended class in Upper Key Stage 2 this week with 98.67%
