Friday 25<sup>th</sup> September 2020

Issue no 1

It was lovely to see so many families join us on Goggle Classrooms this week for our virtual information meeting. We hope you found this useful.

Please see the website for a copy of the year group presentations.

# Social distancing

We continue to require your help, especially at the end of the day. Our staggering times are in place to limit large groups gathering together at any one time.

Please collect your child / children during your time slot.

Please wear a mask at all times, unless you are exempt for medical reasons. Thank you to our parents / carers who have been doing this.

# Silkstream collection

**Thank you to our parents who collected from Silkstream gate this afternoon who helped us by queuing in front of the school and into the park. We received very positive feedback about how much safer and confident people felt.**

**We will continue with this approach on Monday. Please continue to que into the park.**

**We will allow adults onto the premises in small groups so you will still need to wait.  
Thank you for working with us.**

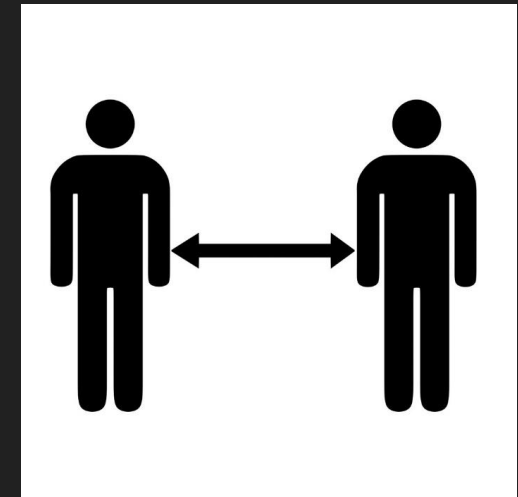

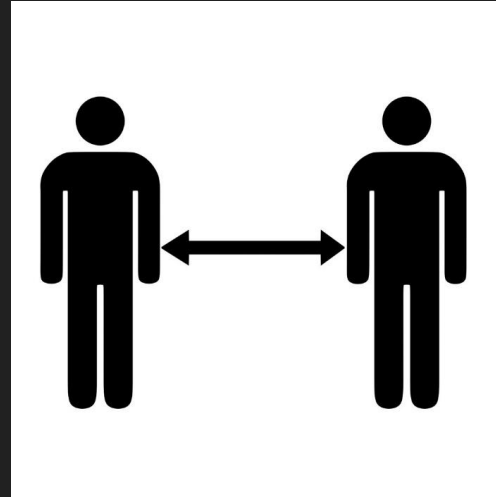

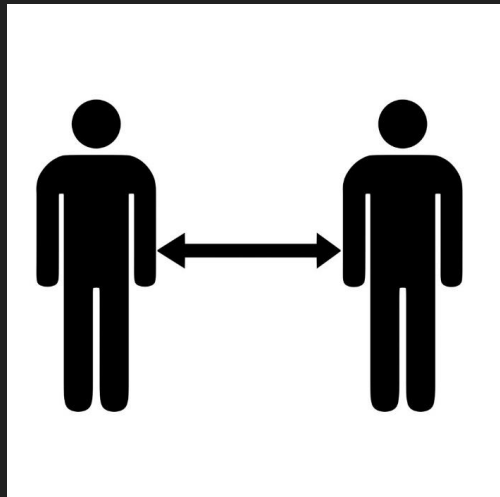

# Gaskarth Road collection

If you are collecting from Gaskarth Road, please que outside the school gate, socially distancing yourself from others.

Your help and support is much appreciated.

**We are trying our very best to make sure our children, staff and families are as safe as possible at the beginning and end of the day.**

**We require your patience and understanding. There have been occasions this week where adults have spoken to our staff in a disrespectful way. This is not ok.**

**Please hold in mind that we are doing our job but require everybody to show responsibility.**

**If you have any suggestions about anything on our risk assessment please email the school office.**

# Hand Sanitizer

**Thank you to our families who have donated hand sanitizer to the school. It is very much appreciated. As you can imagine, we are spending a considerable amount of money on paper towels and sanitizer.**

**If you haven't already done so, please can you donate a bottle of sanitizer. Please ask your eldest children to bring to school. Thank you in advance.**

# Our new rules

Please ask your child about how they have shown this week that they are following our three school rules:

**Ready to learn**  
**Respectful**  
**Responsible**

We heard some great examples in our class discussions and assemblies.

# Stars of the week

Well done to the following children who were nominated as stars of the week.

3H Emily – For being a great role model & ready to learn

3P Patrisia – For showing responsibility in the classroom

4R Adrian – Always being focused, trying his best

4V Gavishga – Showing great resilience to overcome a problem

Infants and Years 5 & 6 stars will be shared next week

# PE Kits

**Please make sure your child wears their PE kit to school on the days they have PE and games lessons.**

**As the weather is turning colder, children are able to wear plain navy / black tracksuit bottoms and a plain navy / black sweat top. Their school jumper is also fine.**

**Please do not wear branded items or items with writing / designs.**

# Year 6 Prefects

**Year 6 are encouraged to apply for the roles of prefects and senior prefects.**

**Application forms need to be returned by Friday 2<sup>nd</sup> October.**

**We look forward to sharing with you who has been appointed.**
