Issue no 3

Thank you to all the children who wore something yellow to school today to raise awareness about mental health and raise money for the charity Young Minds.

It was wonderful to see so many staff and children participating. We raised £339 for this great charity!

Supporting mental health

During our assemblies this week we have explored what the term mental health means to us and how we can support our own and each other's well-being.

Please talk to your child about how they use the zones of regulations to help them at school.

Virtual Parents Evening

**Our virtual parents evenings will be on:
Tuesday 20th October
Thursday 22nd October**

**Details will be shared next week regarding how to login
and book your appointments.**

**If you haven't sent in your pupil information form please
send this in by MONDAY 12th October.**

**If we do not have the correct email address we will be
unable to contact you.**

Parking – end of the day

We have received complaints from local neighbours complaining that parents from our school are parking in front of their drives and blocking them in.

Can we respectfully remind you to park considerably and not in front of other people's drives. Local neighbours have been advised to take down the car registration details and pass this information on to the local police if it happens again.

Stars of the week

Well done to the following children who were nominated as stars of the week.

1H Lucas – For being an excellent problem solver

1L Naomi – For always being ready to learn

2A Arnav – For always doing the right thing

2CW Anisia – For showing resilience when things are tricky

Stars of the week

Well done to the following children who were nominated as stars of the week.

3H Tarcio– For always being respectful

3P Arianna – For always making good choices

4R Ruby –For always trying her best and being ready to learn

4V Nicolas – For showing great resilience with his learning

5G Abubaker – For sharing his inspiring ideas

5S Viva – For being respectful to everyone in class

6H Kingston – For showing a positive learning attitude

6JS Nadhir – Showing great respect during peer learning

School Lunches

Families are reminded that if you would like your child to swap from their current lunchtime arrangement, we need 2 weeks notice.

This is because our kitchen team order food deliveries two weeks in advance. Please contact the office if you would like to change your lunch pattern

Coats

Please can you make sure your child has a suitable coat to wear outdoors.

Please make sure this is clearly labelled with your child's name and class.

Helping with extra learning

Some parents have been asking how they can help support their child with their learning at home. As well as making sure they are doing their homework we would recommend the following:

Extra reading – reading together and a variety of books

Times tables

Handwriting

Hand Sanitizer

Thank you to our families who have donated hand sanitizer to the school. It is very much appreciated. As you can imagine, we are spending a considerable amount of money on paper towels and sanitizer.

If you haven't already done so, please can you donate a bottle of sanitizer. Please ask your eldest children to bring to school. Thank you in advance.
