ACHIEVE.

Friday 23<sup>rd</sup> April 2021

Issue no 24

It is wonderful to have everyone back after two and a half weeks off. We do hope everyone was able to switch off and have an enjoyable break. The children have settled straight back into school and are ready for a busy term of hard work and (hopefully) sunshine!

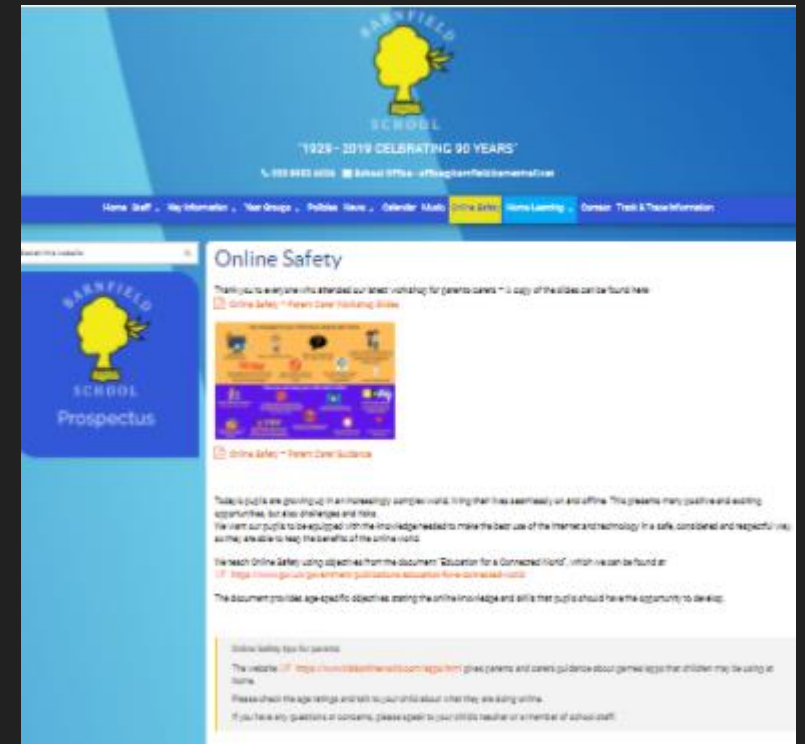

**WELCOME  
BACK**

# Online safety – update!

Miss Williamson has updated the online safety page on our website. Online safety is vitally important, so please make sure you are aware of the information shared and make a note of any changes.

# Food Market

We are hoping to continue running the food market from Wednesday 28<sup>th</sup> April. This is dependant on whether we have enough support from the local community to run it. Thank you to those who have come forward to be of assistance. We are in need of another parent volunteer to assist with the running of the market on a Wednesday afternoon.

# COVID-19: Restrictions in England

From 12 April

## STEP 2

As you know, we have now moved onto step 2 of the government's Roadmap. It is important that, although infection levels are lower, we continue to keep our community safe.

<b>MEETING OTHERS</b> 	<b>OVERNIGHT STAYS</b> 	<b>EDUCATION</b> 	<b>WORK AND BUSINESS</b> 
You must not socialise indoors except with your household or support bubble. You can meet outdoors, including in gardens, in groups of six people or two households.	Domestic overnight stays are allowed, but you must only stay with members of your household or support bubble.	Early years settings, schools and colleges are open for all students. Students on practical university courses can return. Students and staff will be regularly tested. Other Higher Education students should continue to learn remotely.	You should work from home if you can.
<b>RETAIL AND PERSONAL CARE</b> 	<b>BARS, PUBS AND RESTAURANTS</b> 	<b>ACCOMMODATION</b> 	<b>LEISURE AND SPORTING FACILITIES</b> 
All retail open. Hairdressers, beauty and nail salons open.	Open outdoors for groups of six people or two households. Those that serve alcohol must provide table service. Closed indoors.	Campsites and self-contained holiday accommodation open for visits with your household or support bubble only. Hotels, hostels and B&Bs closed.	Gyms, indoor sports facilities and spas open for use on your own or with your own household or support bubble. Saunas and steam rooms closed.

# COVID-19: Restrictions in England

From 12 April

## STEP 2

### ENTERTAINMENT

Outdoor settings and attractions, such as zoos and theme parks open for visits of two households, or in a group of up to six people. Drive-in-events open for visits with your household or support bubble. Indoor entertainment closed.

### PUBLIC BUILDINGS

Libraries and community centres open.

### RESIDENTIAL CARE

People who live in a care home in England will be allowed two named regular indoor visitors.

### SHIELDING

Clinically extremely vulnerable people in England are no longer advised to shield, but should continue taking extra precautions such as minimising social interactions and shopping at quieter times of the day.

### DOMESTIC TRAVEL

You should minimise travel as much as possible. Avoid the busiest times and routes - plan your journey and what you need at your destination ahead of time.

### OVERSEAS TRAVEL

You must not go on holiday abroad. You could be fined £5,000 for travelling abroad without a legally permitted reason.

### PLACES OF WORSHIP

Places of worship open and communal worship is permitted, but you must not mix indoors with anyone outside your household or support bubble.

### WEDDINGS AND FUNERALS

Funerals can continue with up to 30 attendees. Weddings, outdoor receptions, and commemorative events such as wakes can take place with up to 15 attendees [in premises that are permitted to open].

# Reminder!

## Reminders of Reporting Covid-19

We must not forget that the virus is still out there in our community. If anyone in your household develops any of the following three symptoms, **your whole household must isolate** and you need to arrange testing immediately.

- **a high temperature** – this means you or your child feels hot to touch on their chest or back (you do not need to measure their temperature, but if your child's temperature is over 38 degrees, this qualifies as a high temperature in addition to the feeling hot to touch on their chest or back).
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you or your child usually have a cough, it may be worse than usual).
- **a loss or change to your sense of smell or taste** – this means you've noticed you or your child cannot smell or taste anything, or things smell or taste different to normal.

If someone in your household tests positive - all members of your household and anyone the positive case has had close contact with must isolate for 10 days from last contact, this may include your support / childcare bubble. It is essential that you inform us about any positive coronavirus cases or symptoms of anyone in your household/bubble.

# Summer uniform

As we have moved into the summer term, children can now wear items from our summer uniform. This consists of:

- plain grey or black pair of shorts
- Barnfield blue checked dress.

All other uniform remains the same as before. Please note that pupils are not permitted to wear sandals

# Attendance

As you know, it is very important that pupils attend school. If your child has been unwell for more than two days, a member of staff will be in touch to clarify whether the absence is authorised or unauthorised.
