Thank you so much to our wonderful parent volunteers! With your support, we were able to bring back the food market on Wednesday. This will continue on Wednesday 5th May.

Reading competition!

Calling all Barnfield Readers...

If you would like to enter the Barnfield “Caught Reading” competition, all you have to do is have your photograph taken whilst reading. Try and think of somewhere unusual; a place no one else has ever been seen reading! Let’s get even more creative and think of somewhere outdoors.

The most unusual “Caught Reading” photo will win a magnificent prize.

You can print and post your photos (be sure to write your name and class on the back) into the box in the junior corridor.

OR

Email your photo to the school office - office@barnfield.barnetmail.net -for us to print

All “Caught Reading” photos have to be handed or emailed in to school by Friday 21st May.

Enjoy reading

Barnfield Gallery

This week, the children have been visiting our gallery!

They have been viewing artwork created by the pupils in Creativity Week back in the autumn term.

Barnfield Gallery

The focus of creativity week was 'Among the Trees'.

A huge thank you needs to go to Miss Biggs for organising and a huge well done to all the pupils for their inspiring artwork.

Reminder!

Reminders of Reporting Covid-19

We must not forget that the virus is still out there in our community. If anyone in your household develops any of the following three symptoms, **your whole household must isolate** and you need to arrange testing immediately.

- **a high temperature** – this means you or your child feels hot to touch on their chest or back (you do not need to measure their temperature, but if your child's temperature is over 38 degrees, this qualifies as a high temperature in addition to the feeling hot to touch on their chest or back).
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you or your child usually have a cough, it may be worse than usual).
- **a loss or change to your sense of smell or taste** – this means you've noticed you or your child cannot smell or taste anything, or things smell or taste different to normal.

If someone in your household tests positive - all members of your household and anyone the positive case has had close contact with must isolate for 10 days from last contact, this may include your support / childcare bubble. It is essential that you inform us about any positive coronavirus cases or symptoms of anyone in your household/bubble.
