Eid Mubarak!

To those in our community who have been celebrating, we wish you a very happy Eid!

Remote learning

Unfortunately, we had to close the Year 1, 2 and 6 bubbles this week. Thank you to all pupils who have been working online and have been continuing to try their best. It is vital that pupils log into their morning meetings first thing and then complete all tasks given to them

Dear Parent / Carers

Welcome to Arbor! Barnfield is now using the Parent Portal/Arbor App and has set up an account for you.

Type the below link into your computer / laptop, do not use a phone for first time login

barnfield-primary.uk.arbor.sc

Click forgotten password and add a memorable password to finish setting up your account.

Your username is the email the school has on file for you please contact the office if you are unsure what this is.

If you have any queries please contact the school on 02089526026

When you are setting up your account please use a laptop or a computer and Google Chrome,

After your first-time logging in you can download the Arbor App and login via here.

The Arbor App can be downloaded from either the Playstore on android phones or the Apple Store on Iphones.

Regards
School Office

Arbor

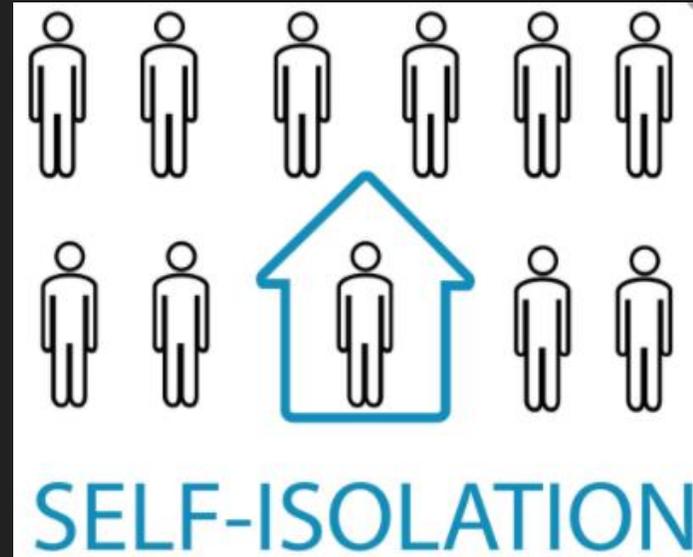

All information will now be shared via Arbor, NOT Parent Hub. It is so important that all parents have downloaded the app. Please spread the word to others. If you are having difficulty, please contact the office.

Self-isolation

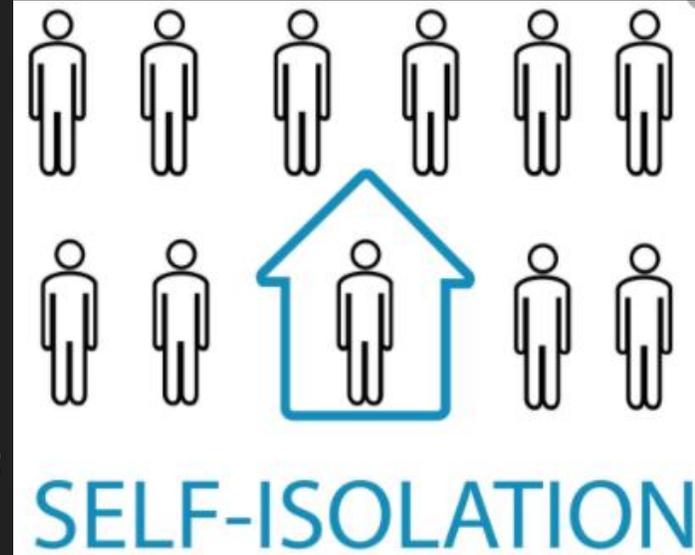

If your child's year group has been closed, it is so important that they self-isolate for the period given to you from school. Over the past two weeks, we have had a number of positive cases. To stop a further spread, if your child has been told to self-isolate, they **must** remain at home. Please work with us in ensuring that our community is safe and all pupils can return to school.

Self-isolation

If you are having difficulty collecting your child from school due to a sibling who is isolating, please ask another adult in the household to either pick up, or look after the child at home. If there is no other adult, please ask a relative, close family friend or another parent from school that lives near to you to collect your child from school and drop off to your house. If you are still struggling to find a way, please reach out to school.

RSE information

Here is a reminder that we are holding a virtual parent information session on **Monday 17th May at 1.30pm** where Miss Golding and our external advisor, Andrew Pembroke will be able to share the requirements of the curriculum, how we are implementing this and answer any questions you may have.

We are also inviting parents and carers to come into school to view the materials we will be using after half term to teach RSE. This is something we would normally do with Y5 and 6 parents as part of usual arrangements. However, with the ongoing restrictions still in place, and with our recent covid cases, we are having to do this in a different way.

Parents are invited to come in on:

Tuesday 8th June - 9.05am – 10.00am

Tuesday 8th June – 2.00pm – 2.45pm

Wednesday 9th June– 2.00pm – 2.45pm

Wednesday 9th June– 5.00pm – 5.45pm (In the music room, please note, due to social distancing, younger children are not able to attend)

Materials will be able to be viewed in the school gym. Please ensure you wear a face covering, unless medically exempt and maintain social distancing. There will be a senior teacher leader present.

Unfortunately, due to copyright, we are unable to share these resources online.

E-scooters

Having seen a number of parents/pupils riding E-Scooters to and from school, we'd like to inform you that currently in the UK it is illegal to ride them public places i.e. pavements, cycle lanes or public road. The only places this can be used is on private land. The reasons for this is that e-scooters are treated as motor vehicles by the Department of Transport. If you are unsure, please read the below article:

KEEP BARNET SAFE

Help stop the spread of COVID-19

Wear a face covering

Wear a face covering in any indoor public space. Children under 11, people who need to lip read, and people with other disabilities are exempt.

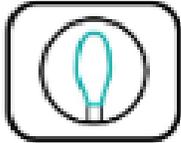

Keep your distance

Stay 2 metres apart. When you can't, make sure you wear a face covering.

Wash your hands

Wash your hands regularly, with soap and water, for 20 seconds.

Get tested

Get tested if you have symptoms: a high temperature; a new, continuous cough; a loss of, or change to, your sense of smell or taste.

Isolate

If you or anyone else in your household or support bubble has symptoms, isolate until they receive a negative test.

بارنت را ایمن نگه دارید به جلوگیری از شیوع کووید-۱۹ کمک کنید

از پوشش صورت استفاده کنید

در هر فضای عمومی داخلی از پوشش صورت استفاده کنید. کودکان زیر ۱۱ سال، افرادی که نیاز به لب‌خوانی دارند، و افراد دارای معلولیت‌های دیگر از این امر معاف هستند.

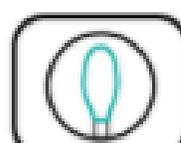

فاصله خود را حفظ کنید

۲ متر از هم فاصله داشته باشید. وقتی نمی‌توانید، حتماً از پوشش صورت استفاده کنید.

دست‌هایتان را بشویید

دستان خودتان را مرتب به مدت ۲۰ ثانیه با آب و صابون بشویید.

آزمایش بدهید

اگر علائم بیماری دارید آزمایش بدهید: تب بالا، سرفه مداوم جدید، از دست دادن یا تغییر حس بویایی یا چشایی شما.

قرنطینه کنید

اگر شما یا هر شخص دیگری در خانه یا حباب حمایتی شما علائم بیماری دارد، تا زمانی که آزمایش منفی دریافت نکرده‌اید خودتان را قرنطینه کنید.
