Dear parents/ carers,

On Monday 15th November , Year 4 will take part in a themed escape room within school. The session is approximately 1 hour long and will take place within school hours based within the school building. We anticipate that this will be an exciting opportunity for the children as a professional company will be visiting us at Barnfield to lead the session.

The aim of the session is to incorporate a theme of escape and team work, building core life skills in team building and developing confidence. The escape room is also linked to your child's History topic of the Romans.

For this experience we are asking for a contribution of £5 per child. Please make this payment on Arbor by Wednesday 10th November.
