Creative me - mischief at Barnfield

Year 6 have been studying Shakespeare's 'Midsummer night's dream.'

They were asked to write a diary entry as Puck, one of the key characters. Puck is a very mischievous character who plays lots of pranks on different people. Have a read about Puck's visit to Barnfield

Diary Entry by Elif Year 6

Puck's Mischief

Dear diary,

Yesterday was an amazing day! Well, for me. I went into a school called Barnfield Primary school. There were a couple of buildings so I started to cause trouble with the small one first. "Ms Hammond and Ms Siggins" is what I saw. I'm guessing that they were the teachers. First, I set the fire alarm off so that everyone would evacuate. When everyone was outside with panic, I flipped everything upside down and spray painted everything hot-pink. My favourite part was when I put a giant, hairy tarantula on the teacher's chair. The worst part about it was that there were hundreds of baby spiders under the big spider. I can only imagine what her face would look like when she tries to kill the big spider, not knowing that the hundreds of spider's underneath would go everywhere making it impossible to clean. Poor cleaners.

Then I moved onto Ms. Siggins' room. I started by deleting her files and her work slides. Changing the password was hard, but I had finally found something that no one would be able to guess, my name. I also spilt oil, (baby oil) on the floor so that they would trip in a hilarious way. I can't wait to see the look on their faces!

Luckily, I did my research before coming. I knew that Ms. Golding was the headteacher so I started to hunt down her office. "I found it!" I said to myself, excitedly. "What can I do here..." I thought to myself. Then, I had the best idea. First, I started by gift-wrapping everything in rainbow-colored gift paper that had polka dots and stripes on it. I covered everything. Tables, chairs, etc. A bucket of water on top of the door so that when she opens it, she would be soaked. The classic tricks in the book. I hid all her books and left. Let's not forget that I was invisible while doing all this.

The office was in front of me so I decided to take a trip there next. I immediately knew what to do like I was planning it for the last 3 days. I put up some LED lights and a disco ball. The old version of the office was literally the definition of boring. I also put all the boring work stuff away and laid out all types of party food. Cake, pizza, everything. While I was wondering where to cause trouble next, I heard someone say, "Tuck your shirt in children!" I look at his lanyard and spot the name 'Mr. Quigley'. I remember that I had flown past his office and giggled to myself. I hate strict people.

Guitar strings cut, the whole room post- it noted. Just wait until he realised that there was white hair dye put in the moisturiser that he used to moisturise his beard. Not forgetting to put a spell on everyone that just wouldn't make their shirt tuck-in. Perfect.

And lastly, I was done with the teachers and wanted to move onto the children. With my magic, I put paint on every single chair in the school. Paint that camouflaged with the chairs of course. Soon, they would sit on it and you know what happened next. Along with some silly-string, I was done and proud. This was only the first day and I was exhausted.

Well done Puck.

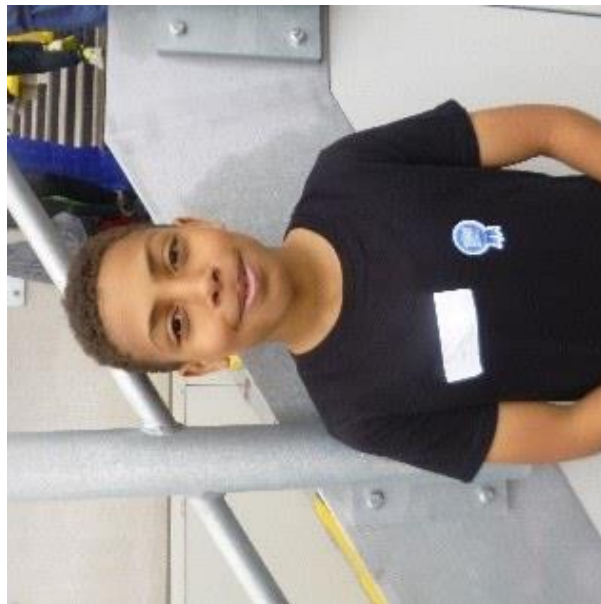

Athletics Championship

During the last week before half term, children from years 5 and 6 were invited to show off their athletic ability at the StoneX stadium (Cophthall). I was so impressed with how hard they tried, the enthusiasm shown and the sheer determination to try to be the best they could be. Well done to all participants and I can't wait to see you become fantastic athletes!

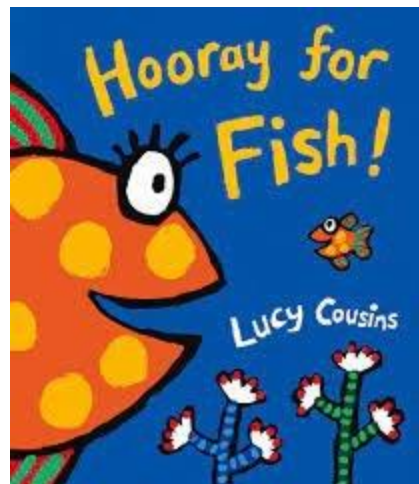

On Wednesday 25th May, Barnfield took part in the athletics championship at Stone X stadium. It was a really good day as there were lots of different events. We took part in the field and track events. I was really happy to come 2nd and represent Barnfield School.

We all had a great experience, everyone worked and tried hard. I asked some other children how they found the event. They said it was really fun, there were some strong competitors from other schools but this made us work even harder.

Hooray for Fish – Curious Me

We adored the story 'Hooray for Fish' by Lucy Cousins in the Nursery, with so much descriptive language to explore. The children as part of their learning examined a range of real fish from the local Fishmongers. It was very smelly work, but the children found it truly fascinating and used so much terrific language to describe what they observed.

Ambitious and Creative Me - 5G

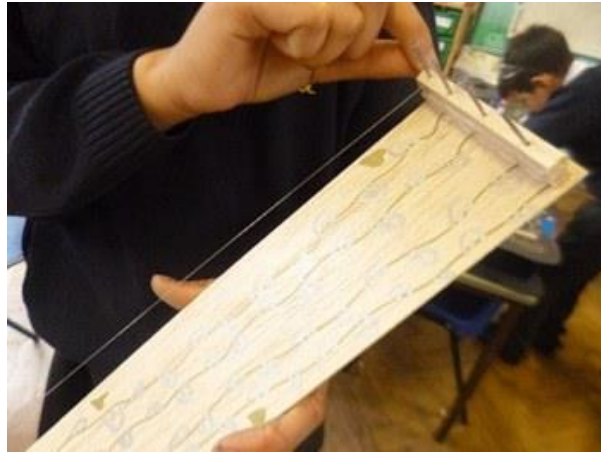

5G have been really ambitious when making their very own instruments!

Everyone in 5G have used an amazing range of DT skills when making a range of instruments, from hammering to sawing and then the creative ideas behind their designs and decorative skills. Take a look at the amazing results.

Office Notices

Office

Spare Clothing

If your child has been given spare clothing from the school, please make sure it is returned to the school office, washed, dried and in a bag labelled spare clothing. We have handed out multiple trousers in the last few weeks and these have not been returned.

Appointments

Parents should endeavour to make doctor/dentist appointments out of school hours, however, if this is not possible a copy of an appointment card must be shown at the office. We ask that parents do not pick up children from school for an appointment after 2.30pm as this can lead to distractions in their classrooms.

If your child is absent for any reason, please make sure you inform the school office not just the teacher/pastoral care as sometimes the messages do not get passed on and it may result in you being contacted.

Absences

If your child is unwell, please contact the school office by 9.15am. You must contact the school every day of your child's absence. **School office 0208 952 6026**

From time to time, we know that children can be unwell with vomiting and diarrhoea. Please note that they should not return to school for **48 hours** after their last bout. We appreciate this is inconvenient, and you may not believe that your child is ill, but you will appreciate that we say this in **all** cases and it should reduce the risk of infection for all children in school.
