Year 6 - SATs

The Year 6s completed their SATs this week. They worked incredibly hard and have made us all so proud! What impressed us the most was how they took the tests in their stride and were resilient throughout.

Well done Year 6!

Today, the children have enjoyed a day filled with fun to mark their hard work. We had an inflatable football pitch, inflatable dart board and bouncy castle. They certainly ended the week in style!

Parent Notice

NOTICE

Collecting children:

We are kindly reminding our parents and guardians when queuing to collect children, not to push in or save a space for others. Patience and respect are the values that we all need to be modelling to the children in our community.

One way systems:

Our one way systems are still in place around the school. Please continue to follow this at all times.

Half Term:

School closes on **Thursday 26th May at 3.15pm**. School reopens to students on **Tuesday 7th June at 8.55am**.

School Logo

We are in the process of redesigning our school website. As part of this, the design team we have been working with have asked us to consider if our current logo reflects our ethos of Dream, Believe, Achieve – be the best you can along with our 5 new principles of learning – healthy, ambitious, emphatic, creative and curious me.

The design team have created 6 new logos which we have placed alongside our current logo. As you can see we have kept with the 'tree'. We are now consulting with all stakeholders to ascertain their views, including yours. Any change in logo will be on the website and letters heads first, with a gradual uniform change over 12-18 month period .

Please can you vote for your preferred logo by clicking on the link below.

Thank you to our parents who completed the survey at our recent learning reviews

Curious & Ambitious Me - 4P

In 4P this week, we have focused on being curious and ambitious! Everyone in 4P has been solving investigations in numeracy and they were all thinking creatively and challenging themselves to be the best that they could be. We have been learning lots in 4P this week!

Ambitious Me - RK

In Reception this week we have been learning number bonds in maths, it's a new topic but the children have been enthusiastic and determined to excel and do well at it. It's been lovely to see some of our children exploring number bonds during Learn and Explore. They were ambitious and wanted to put all the effort they could into becoming more confident with their number bonds. It's been a great week with lots of number work, which we definitely love in RK!

Star of the Week

RSE Workshop

Dear parents,

Next half term we will be starting our Relationship and Health units at Barnfield as part of our PSHE curriculum

On **Thursday 19th May at 2-3pm** you have an opportunity to come into school and look at the materials and topics that your child will be learning from Years 1-6 and ask any questions that you may have.

Ms Golding and Andrew Pembroke (from the PSHE association) will be speaking on the day.

The focus points will be as follows:

- *Why it is important that children learn about their own health and different relationships.
- * A look through and understanding of the Chris Winter's project that we have been using for many years.
- * A chance to ask any questions you may have and have a look at the resources.

We look forward to seeing you on the day.

Best wishes,

Katrina Vessey

PSHE Leader

Jubilee Celebrations

Please see poster regarding the jubilee celebrations that will be held in school on Thursday 26th May.

Safeguarding

It is the responsibility of everyone to keep our children safe. If you have a concern about a child please ask to speak to one of our Safeguarding Officers – Ms Golding, Jackie or Mr Moore.

At Barnfield, we want everyone to be safe, healthy and happy.

If something is wrong and you'd like to talk, we will listen!

Talk to an adult 	Use the Worry Box 	Ask to see Ms Golding, Jackie or Mr Moore 
---	--	---

Don't keep it a secret if anyone is:

 saying upsetting things	 not respecting your physical space	 forcing you do something
 hitting you or hurting you	 writing hurtful things	 using the internet to upset you

Office Notices

Spare Clothing

If your child has been given spare clothing from the school, please make sure it is returned to the school office, washed, dried and in a bag labelled spare clothing. We have handed out multiple trousers in the last few weeks and these have not been returned.

Appointments

Parents should endeavour to make doctor/dentist appointments out of school hours, however, if this is not possible a copy of an appointment card must be shown at the office. We ask that parents do not pick up children from school for an appointment after 2.30pm as this can lead to distractions in their classrooms.

If your child is absent for any reason, please make sure you inform the school office not just the teacher/pastoral care as sometimes the messages do not get passed on and it may result in you being contacted.

Absences

If your child is unwell, please contact the school office by 9.15am. You must contact the school every day of your child's absence. **School office 0208 952 6026**

From time to time, we know that children can be unwell with vomiting and diarrhoea. Please note that they should not return to school for **48 hours** after their last bout. We appreciate this is inconvenient, and you may not believe that your child is ill, but you will appreciate that we say this in **all** cases and it should reduce the risk of infection for all children in school.

Term dates

Please remember we are celebrating the Queen's jubilee on Friday 27th May - there will be no school on this day. Children return after the half term on Tuesday 7th June.

Please click on the link below for our term dates.
