NOTICE

Collecting children:

We are kindly reminding our parents and guardians when queuing to collect children, not to push in or save a space for others. Patience and respect are the values that we all need to be modelling to the children in our community.

One way systems:

Our one way systems are still in place around the school. Please continue to follow this at all times.

Half Term:

School closes on **Thursday 26th May at 3.15pm**. School reopens to students on **Tuesday 7th June at 8.55am**.

School Logo

We are in the process of redesigning our school website. As part of this, the design team we have been working with have asked us to consider if our current logo reflects our ethos of Dream, Believe, Achieve – be the best you can – along with our 5 new principles of learning – healthy, ambitious, emphatic, creative and curious me.

The design team have created 6 new logos which we have placed alongside our current logo. As you can see we have kept with the 'tree'. We are now consulting with all stakeholders to ascertain their views, including yours. Any change in logo will be on the website and letters heads first, with a gradual uniform change over 12-18 month period .

Please can you vote for your preferred logo by clicking on the link below.

[LOGO SURVEY](#)

Thank you to our parents who completed the survey at our recent learning reviews

Empathetic Me - Year 5

In RE Year 5 had a visit from a Humanist this week. Both Year 5 classes had a workshop where they were able to explore and understand the world view – humanism and ask them questions about their beliefs. Our speaker Jamie Woodhouse also carried out an assembly for all of the juniors.

Creative & Curious Me - Nursery

Some of our children in the Nursery adore Superheroes, so we explored the text 'Supertato', following the adventure of one heroic potato as he rescued the other vegetables in the supermarket, from one small and green, Evil Pea!

The children arrived at Nursery to discover a crime scene in their playground, of which they recorded their observations. The children designed their own superhero, creating stories of their own adventures. The children had a 'KERPOW' approach to their learning this week!

Ambitious Me - Year 6

This week in year 6, we have been problem solving and working out answers to tricky investigations. The children have worked really hard to solve these problems by using all their existing knowledge of numeracy! They have looked at multiplication, decimals and fractions. They were even able to solve problems that needed them to complete 3 or 4 different steps in order to find the answer. Well done you super mathematicians!

Safeguarding

It is the responsibility of everyone to keep our children safe. If you have a concern about a child please ask to speak to one of our Safeguarding Officers – Ms Golding, Jackie or Mr Moore.

At Barnfield, we want everyone to be safe, healthy and happy.

If something is wrong and you'd like to talk, we will listen!

<p>hitting you or hurting you</p>	<p>writing hurtful things</p>	<p>using the internet to upset you</p>

Office Notices

Spare Clothing

If your child has been given spare clothing from the school, please make sure it is returned to the school office, washed, dried and in a bag labelled spare clothing. We have handed out multiple trousers in the last few weeks and these have not been returned.

Appointments

Parents should endeavour to make doctor/dentist appointments out of school hours, however, if this is not possible a copy of an appointment card must be shown at the office. We ask that parents do not pick up children from school for an appointment after 2.30pm as this can lead to distractions in their classrooms.

If your child is absent for any reason, please make sure you inform the school office not just the teacher/pastoral care as sometimes the messages do not get passed on and it may result in you being contacted.

Absences

If your child is unwell, please contact the school office by 9.15am. You must contact the school every day of your child's absence. **School office 0208 952 6026**

From time to time, we know that children can be unwell with vomiting and diarrhoea. Please note that they should not return to school for **48 hours** after their last bout. We appreciate this is inconvenient, and you may not believe that your child is ill, but you will appreciate that we say this in **all** cases and it should reduce the risk of infection for all children in school.

Term dates

Please remember we are celebrating the Queen's jubilee on Friday 27th May - there will be no school on this day. Children return after the half term on Tuesday 7th June.
