## International Evening

How emotional and full of joy it was to come together for International Evening on Thursday 30th of June, where embracing and celebrating our richly diverse community is at the heart of this truly special occasion. We have not been able to host this event for the last couple of years, however the wait was worth it, as it was truly magical! A MASSIVE thank you to all our families for their stunning contributions and support which made the event such a success, this includes all the stunning food carefully prepared and presented, which was so appreciated and enjoyed. Everyone made such an incredible effort to dress up, sharing their cultural pride, you all looked fantastic and all the colours of the world were represented!

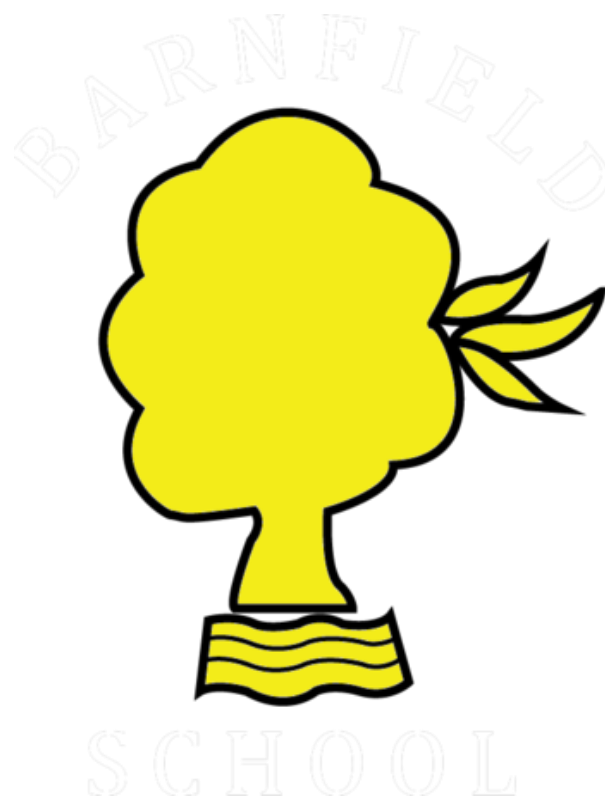

Big thank you for all your efforts on FLAG DAY, which was held on Tuesday the 28th of June, when everyone was encouraged to come dressed as a flag from around the world. There were some fantastic creative responses to this challenge. Funds raised helped towards our sound system for International Evening and also for our wonderful Steel Pan performer Shareen from the Steel Pan Agency, whose performance definitely got us in the party mood.

## Creative & Ambitious Me- Year 6

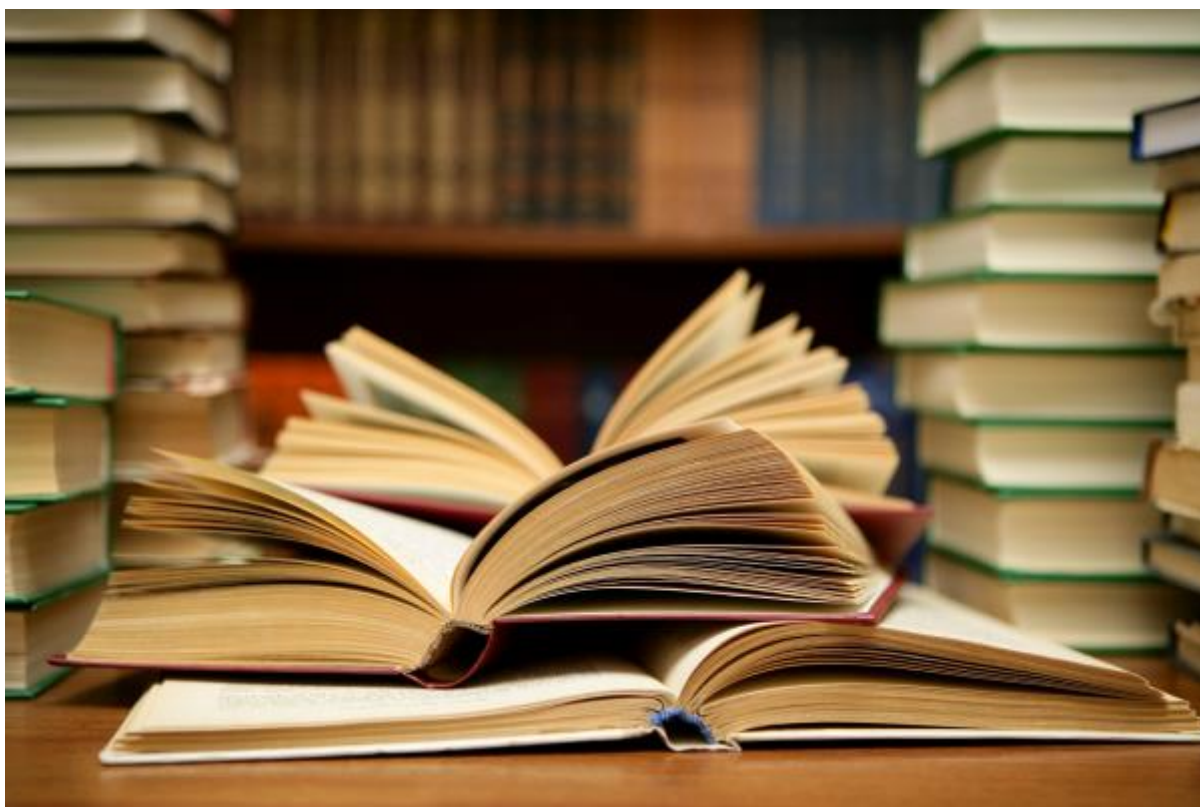

In 6S this week we invented our own catapult as part of our Science topic 'Inventions'. We have been learning about all sorts of inventions from millions of years ago to nowadays and we have focused on how the invention of the catapult has developed over time. Our challenge was to create a working catapult which some groups managed to do without any clues at all!

## Office Notices

### Spare Clothing

If your child has been given spare clothing from the school, please make sure it is returned to the school office, washed, dried and in a bag labelled spare clothing. We have handed out multiple trousers in the last few weeks and these have not been returned.

## Appointments

Parents should endeavour to make doctor/dentist appointments out of school hours, however, if this is not possible a copy of an appointment card must be shown at the office. We ask that parents do not pick up children from school for an appointment after 2.30pm as this can lead to distractions in their classrooms.

**If your child is absent for any reason, please make sure you inform the school office not just the teacher/pastoral care as sometimes the messages do not get passed on and it may result in you being contacted.**

## Absences

If your child is unwell, please contact the school office by 9.15am. You must contact the school every day of your child's absence. **School office 0208 952 6026**

From time to time, we know that children can be unwell with vomiting and diarrhoea. Please note that they should not return to school for **48 hours** after their last bout. We appreciate this is inconvenient, and you may not believe that your child is ill, but you will appreciate that we say this in **all** cases and it should reduce the risk of infection for all children in school.
