Statement of intent

Barnfield Primary School is committed to ensuring equal opportunities for all children, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by offering of school trips, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

We promise:

- Not to charge for education provided during school hours.
- To inform parents on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions.

1. Legal framework

1.1. This policy will have consideration for, and be compliant with, the following legislation and statutory guidance including, but not limited to:

- Education Act 1996
- The Charges for Music Tuition (England) Regulations 2007
- The Education (Prescribed Public Examinations) (England) Regulations 2010
- DfE (2018) 'Charging for school activities'
- DfE (2018) 'What maintained schools must publish online'
- DfE (2019) 'Governance Handbook'

2. Charging for education

2.1. We will not charge parents for:

- Admission applications.
- Education provided during school hours.
- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the child is being prepared for by the school, or part of religious education.
- Instrumental or vocal tuition, unless provided at the request of the child's parents.
- Entry for prescribed public examination, if the child has been prepared for it at the school.
- Examination re-sits, if the child is being prepared for the re-sits at the school.

2.2. We may charge parents for the following:

- Materials, books, instruments or equipment where they desire their child to own them.
- Optional extras.
- Music and vocational tuition (in certain circumstances).
- Use of community facilities.

3. Optional extras

3.1. We may charge parents for the following optional extras:

- Education provided outside of school time that is not:
 - Part of the national curriculum.
 - Part of a syllabus for a prescribed public examination that the child is being prepared for at the school.
 - Religious education.
- Examination entry fees where the child has not been prepared for the examinations at the school.
- Transport, other than that arranged by the LA, for the child to be provided with education.
- Board and lodging for a child on a residential visit.
- Extended day services offered to children.

- 3.2. When calculating the cost of optional extras, the school will only take into account the following:
- Materials, books, instruments or equipment provided in relation to the optional extra.
 - The cost of buildings and accommodation.
 - The employment of support staff.
 - The cost of teaching staff (including teaching assistants) under contracts for services purely to provide an optional extra.
 - The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument.
- 3.3. The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating children. We will not charge a subsidy for any children wishing to participate, but whose parents are unwilling or unable to pay the full charge. If a proportion of the activity takes place during school hours, we will not charge for the cost of alternative provision for those not participating.
- 3.4. Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges. Therefore, parental agreement is a pre-requisite for the provision of an optional extra.

4. Examination fees

- 4.1. We may charge for examination fees if:
- The examination is on the prescribed list (which includes SATs), but the child was not prepared for it at the school.
 - The examination is not on the prescribed list, but the school arranged for the child to take it.
 - A child fails, without good reason, to complete the requirements of any public examination where the governing body or LA originally agreed to pay the fee.

5. Voluntary contributions

- 5.1. We may, from time-to-time, ask for voluntary contribution towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, we will make this clear to parents at the outset. We will also make it clear that there is no obligation for parents to make a contribution, and notify parents whether assistance is available.
- 5.2. No child will be excluded from an activity simply because their parents are unwilling or unable to pay. If a parent is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity. If insufficient voluntary contributions are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled.
- 5.3. We will strive to ensure that parents do not feel pressurised into making voluntary contributions.

6. Music tuition

- 6.1. Music tuition is the only exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the child's parents.
- 6.2. Both teaching and non-teaching staff are encouraged to alert the headteacher or governing body if areas of concern arise in respect of the school's financial affairs.

7. Transport

- 7.1. We will not charge for:
 - Transporting registered children to or from the school premises, where the LA has a statutory obligation to provide the transport.
 - Transporting registered children to other premises where the governing body or LA has arranged for children to be educated.
 - Transporting children to meet an examination requirement when they have been prepared for the examination at the school.
 - Transport provided for an educational visit

8. Residential visits

- 8.1. We will not charge for:
 - Education provided on any visit that takes place during school hours.
 - Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the child is being prepared for at the school, or part of religious education.
 - Supply teachers to cover for teachers accompanying children on visits.
- 8.2. We may charge for board and lodging – but the charge will not exceed the actual cost.
- 8.3. Parents will be exempt from board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:
 - Income Support
 - Income-based Jobseeker's Allowance
 - Income-related Employment and Support Allowance
 - Support under part VI of the Immigration and Asylum Act 1999
 - The guaranteed element of State Pension Credit
 - Child Tax Credit, provided that they are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
 - Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit
 - Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

9. Education partly during school hours

- 9.1. If 50 percent or more of the time spent on an activity occurs during school hours (including time spent travelling if the travel occurs during school hours), it is deemed to take place during school hours and no charge will be made.
- 9.2. If less than 50 percent of the time spent on an activity occurs during school hours, it is deemed to have taken place outside school hours and we may charge for the activity; however, we will not charge if the activity is part of the national curriculum, part of a syllabus for a prescribed public examination that the child is being prepared for at the school, or part of religious education.
- 9.3. **Residential visits:** If the number of school sessions covered by the visit is equal to or greater than 50 percent of the number of half days (any period of 12 hours ending with noon or midnight on any day) spent on the visit, we will ask for a voluntary contribution towards the activity.
- 9.4. The remission of charges for board and lodging payments is the responsibility of the school.
- 9.5. Any charges for extended day services will be optional.

10. Damaged or lost items

- 10.1. The school may charge parents for the cost of replacing items broken, damaged or lost due to their child's behaviour. Parents will not be taken to court for failure to pay such costs.

11. Remissions

- 11.1. We have set aside a small fund to enable families in financial difficulty to send their children on visits/activities. The funding is limited and there is no guarantee that all requests can be met. Assistance will be allocated on a 'needs' basis, and if the full cost of the trip/activity cannot be met through assistance funding and voluntary contributions, the trip/activity will be cancelled.
- 11.2. Parents in receipt of any of the following benefits may request assistance with the costs of activities:
 - Income support
 - Income-based Jobseeker's Allowance
 - Income-related Employment and Support Allowance
 - Support under part VI of the Immigration and Asylum Act 1999
 - The guaranteed element of State Pension Credit
 - Child Tax Credit, provided that they are not also entitled to Working Tax Credit and they have an annual gross income of no more than £16,190
 - Working Tax Credit run on – paid for four weeks after they stop qualifying for Working Tax Credit.
 - Universal Credit – if they apply on or after 1 April 2019, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

11.3. To request assistance, parents should contact the school business leader via the school office

12. Monitoring and review

12.1. This policy will be reviewed every 2 years by the governing body.
